The dinner will take place in the **Knights' Hall** at the **Vienna City Hall**, Friedrich-Schmidt-Platz 1, 1010 Vienna. The dinner location is a short walk away from the metro station "U2 Schottentor".

The impressive City Hall is one of the most important monuments of the capital. The neo-Gothic style building constitutes the centre of city politics and administration of the State Vienna. Furthermore, numerous events like balls, concerts and festivals are held within its premises.

This traditional hall designed by City Hall architect Friedrich Schmidt was originally dedicated to Viennese wine by the city fathers. The frescos depict medieval scenes. They date back to the year 1898 and were created by architect and painter Josef Urban in cooperation with the Austrian painter Heinrich Lefler.
