## **EATLP Congress 2018**

**Zurich, 7 - 9 June 2018**

Dear EATLP (Associate) Member

The Institute of Law and the Chair of Swiss and International Tax Law have the pleasure to invite you to the Annual Congress of the European Association of Tax Law Professors (EATLP), to be held from 7 to 9 June 2018 in Zurich.

We are honored by the opportunity to host this internationally renowned event and we are grateful for the support offered by the central organisation of EATLP and its staff.

The Congress will be held in the stately main building of the University of Zurich with its landmark tower inaugurated in 1914. The Congress Venue is in walking distance of the historic city of Zurich and of many sightseeing places. For further information about Zurich, what to do and what to see, please refer to the website of Zurich Tourism: <https://www.zuerich.com/en>

The Congress will be opened on Thursday 7 June with presentations on the cooperation of EATLP with other organisations, particularly our participation in the work of the European Commission, followed by the General Assembly.

The Welcome Ceremony will include a highly renowned guest speaker of the University of Zurich, but from a field outside tax law. The first day will be closed by an informal Get-Together in the "Lichthof" of the main building.

Friday, 8 June, will be devoted to our main subject

### **Tax Transparency**

The Academic Committee under the chairmanship of Daniel Gutmann, the General Reporters, Johanna Hey and Funda Başaran Yavaşlar, and all other reporters and panelists have worked hard to make our 2018 Congress a successful academic event.

Saturday, 9 June will start with the presentation by this year's winner of the EATTA followed by debate.

Thereafter we shall have the honour and pleasure to listen to this year's "Bertil Wiman-Lecture" presented by

**Professor Dr. Frederik Zimmer**

from the Faculty of Law of the University of Oslo, Department of Public and International Law. His lecture will be devoted to the topic

**In defence of GAARs**

On the evening of 8 June, we will travel by train to the Uetliberg, Zurich's very own mountain and enjoy the spectacular views of the city, the lake and the Swiss Alps. A delicious dinner will follow in the Restaurant Uto-Kulm. Each participant will receive a train ticket together with the congress materials at registration.

Accompanying persons will be able to explore Zurich on Friday during a half-day guided walking tour followed by a light lunch.

In addition to the EATLP (associate) members, there is room for a limited number of other interested parties. We especially welcome doctoral students, post-doc fellows and other academics to attend the Congress. Non-members who would like to attend the Congress are requested to send a message to the Congress Secretariat ([eatlp2018@rwi.uzh.ch](mailto:eatlp2018@rwi.uzh.ch)) applying for guest participation.

We are very much looking forward to welcoming you in early June in Zurich.
